SGS Create Curriculum Overview

SGS Create offers a dynamic and supportive educational environment tailored for 14-16-year-olds who thrive outside traditional schooling. Our curriculum combines essential academic subjects with creative and vocational pathways, ensuring a holistic learning experience.

Core Academic Programme

Students engage in a robust academic programme, focusing on mandatory GCSEs:

- English Language
- Mathematics
- Double Award Science

These subjects lay the foundation for future educational and career opportunities.

Vocational Specialisms

Alongside core subjects, learners select a vocational qualification aligned with their interests and career aspirations. Current offerings include:

- Art & Design
- Computer Games Design
- Music

These practical courses provide hands-on experience and are subject to change based on demand and cohort interests.

Personal Development and Support

At SGS Create, personal growth is paramount. Our approach includes:

- **PSHE/RSE Curriculum:** Covering all statutory topics, this curriculum significantly enhances learners' pastoral education.
- **External Engagements:** Inviting guest speakers and organisations to enrich learning with diverse perspectives.
- **Individualised Support:** Offering one-to-one career advice, work experience assistance, and guidance to prepare students for further education and the workforce.
- **Daily Tutor Sessions:** 30-minute group tutorials for regular check-ins and success planning.

Unique Learning Environment

SGS Create is designed for students who may find mainstream education challenging. Key features include:

- **Smaller Class Sizes:** Ensuring personalised attention and tailored teaching strategies.
- **Flexible Dress Code:** Encouraging self-expression without a uniform requirement.
- **Parental Partnerships:** Engaging families actively to support student success.
- **Comprehensive Learning Support:** Providing academic assistance and specialised support for students with additional needs.

By integrating academic rigour with creative exploration and personalised support, SGS Create equips learners with the skills and confidence to excel in their future endeavours.

What You'll Learn at SGS Create!

At SGS Create, we want to help you learn in a way that works best for you! Our school is different from others – we focus on what you enjoy and what will help you in the future.

Your Main Subjects

- **English, Maths & Science** – These are the most important subjects and will help you no matter what career you choose.

Exciting Subjects to Choose From!

You also get to pick a special subject based on what you love! These include:

- **Art & Design** – If you enjoy drawing, painting, or making things, this is for you!
- **Computer Games Design** – Learn how to design and create games!
- **Music** – If you love playing, writing, or producing music, you'll love this course!

Extra Support to Help You Succeed

- **PSHE Lessons** – Learning about life skills, relationships, and keeping yourself safe.
- **Careers Advice** – Get one-on-one help to think about your future jobs and education.
- **Work Experience** – Try out a real job to see what working life is like.
- **Guest Speakers & Visits** – Meet people from different jobs to help inspire your future.
- **Daily Tutor Sessions** – A time to check in with your teachers and plan for success.
